By Public Transportation

Warsaw has a superb public transport infrastructure that's easy and cheap to use. Public transport in Warsaw is ubiquitous, serving the city with buses, trams, urban railways, and the metro. The vehicles are modern, the same ticket can be used on virtually every route, and it's designed to get you to any central location within 15 minutes. Many bus and tram stops, as well as all metro and train stations, have ticket machines. You can also find them on board buses, trains, and trams. They have language options and are easy to use, allowing payment by card, contactless, or cash. Here's how you can reach Crowne Plaza Warsaw using public transport:

- **From the Airport (Chopin Airport):**

Take Bus 175 directly from the airport towards the city center. This bus runs frequently and takes around 30 minutes. Get off at the "Centrum" stop, then transfer to Metro Line M2. Take the metro two stops westbound, and you'll arrive at Rondo

Daszyńskiego, which offers direct access to the Crowne Plaza Warsaw lobby.

- From Warsaw Central Railway Station:

Take Tram 22 or Tram 24 from the “Dworzec Centralny” stop, located just outside the station. Ride three stops to Rondo Daszyńskiego, where you can walk directly into the Crowne Plaza Warsaw lobby. Alternatively, walk about 7 minutes from the station to the “Centrum” stop and board Metro Line M2 towards Rondo Daszyńskiego.

- From the City Center (e.g., Old Town):

From central locations such as Plac Bankowy or Nowy Świat, hop on Metro Line M2 at any of the central stops (like “Nowy Świat-Uniwersytet” or “Świętokrzyska”) and travel towards Rondo Daszyńskiego. This metro stop gives you direct access to the Crowne Plaza Warsaw lobby, making the journey fast and simple.

By Car

To get to the Crowne Plaza Warsaw by car, follow Towarowa Street. The hotel offers onsite parking in an in-house garage with 24 spaces and a height limit of 2 meters. The parking fee is 120 PLN per day, available from Monday to Sunday. Additional parking spaces can be found in the nearby retail parking area. Car rental options are available throughout the city if needed.

Getting to Warsaw

Warsaw is a major European hub, making it easily accessible from all over Poland and abroad. Whether you’re arriving by plane, train, or car, the city is well-connected and simple to

navigate. For more details on how to plan your trip, [click here](#).

Getting around Warsaw

With its modern metro, efficient tram system, and extensive bus network, getting around Warsaw is both quick and convenient. You can explore the city's vibrant districts and reach your destination smoothly using public transport. For more detailed information on getting around, please follow [this link](#). The official language of the Conference will be English.

Simultaneous translation from English to Polish will be provided. Simultaneous translation from English to Polish will be provided. **Entry Requirements for EU Citizens**

Citizens of EU member states need only a valid travel document or national ID to enter Poland. No visa is required for short stays, such as attending the congress.

Entry Requirements for Non-EU Citizens

If you are not an EU citizen, the two main documents you will need to enter Poland are a valid passport and, in most cases, a visa. As a general rule, non-EU citizens require a visa to enter Poland. Since Poland is part of the Schengen zone, obtaining a visa allows you to travel freely across many European countries. There are several types of visas available depending on your travel needs.

For further information about visa types and requirements, please click [here](#). Warsaw enjoys mild spring weather in May. The average maximum temperature is around 18°C (64°F), while the average minimum temperature is about 9°C (48°F).

May can bring occasional rain showers, so it's a good idea to have an umbrella on hand. Dressing in layers is recommended, as daytime temperatures are comfortable and warm, but evenings can still be a bit cool. The unit of currency in Poland is the Polish zloty (PLN).

Most international credit cards are accepted.

You can compare your local currency to the Polish zloty [here](#). If you require letter of invitation, please note invitation letters are available only to registered participants. The option to request an invitation letter is available within the registration process. All event activities (including educational sessions, meal functions, exhibit hall, etc.) are exclusively reserved for registered attendees. Non-registered guests (including children, family members, colleagues, etc.) are not allowed in any of the event areas. Badges provided at registration are required for entrance into all functions and will be strictly enforced. The Conference Secretariat and Organizers cannot accept liability for personal accidents or loss of/damage to private property of participants. Participants are advised to take out their own personal travel and health insurance for their trip. GEMS – the Global Education of Medicine and Science, helps in advancing healthcare and technological fields that are currently developing. The organization supports and collaborates with world experts, to deliver the right content at the right time, by providing the needed resources and formats to deliver high-quality learning experiences.

With the main objective to advance education, GEMS is currently working in several fields. GEMS invests in topics with value and potential. Join the world's leading minds that

collaborate with us and create platforms for future growth and development.

What are the benefits:

- Transform your idea from concept into reality
- Raise your profile in your field of expertise
- Increase your chances of success by partnering with an organization dedicated to advancing healthcare education
